

The New FEMA Public Assistance Delivery Model streamlines project formulation by segmenting projects based on complexity, standardizing project workflows with improved technology, specializing staff roles and responsibilities, and consolidating non-field work in Consolidated Resource Centers. The new delivery model follows a four phase process to identify projects, document damages, develop scopes of work and costs, and review and award grant funding.

What to expect over the next coming weeks

- The Applicant will be receiving email notifications to create account in Grants Portal.
- The Recipient enters the RPA into Grants Portal. Once entered, the Applicant will get email notifications throughout the process.
- Applicant should be regularly checking the Email address provided to the Recipient at the Applicant Briefing.
- Ensure that their IT systems allow for incoming emails from support@pagrants.fema.dhs.gov.
- Applicant should occasionally check their spam folder.

Grants Portal Website: <https://grantee.fema.gov/>

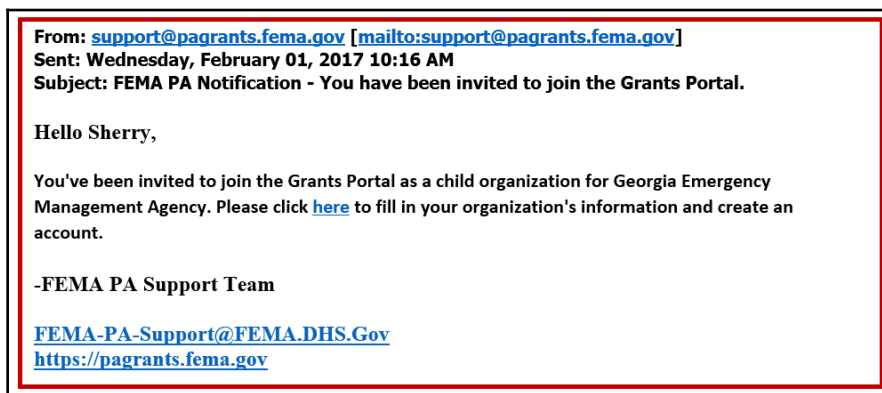

- The Applicant will not have access to this site until the Recipient creates the Applicant's organization. Please monitor emails from: support@pagrants.fema.dhs.gov.
- Additional Training on Grants Portal and the Public Assistance New Model Delivery will be provided at a later date through various Webinars.
